

Parking Lot Procedures

For the safety of all students, please follow these drop-off and pick-up procedures (a map is provided):

Drop-Off:

Students arriving early to school for a program or club (band, chorus, etc) or by special permission, may be dropped in the front to enter through the front office.

Students who are eating breakfast at school may be dropped off as early as 8:15 – using the front parking lot. Otherwise, students should not arrive before 8:30.

1st-6th grade students will go to the big playground for morning recess. It is advised that all 1st through 6th grade students be dropped off in the east parking lot for easy access to the playground. Students will enter through the basketball court accessed from the east parking lot.

Students in Preschool and Kindergarten are dropped off in the front of the school. Preschool parents should use the left-side curb to park and sign in students. Kindergarten parents should use the right-side curb to drop off students. Do not park along the right-side curb. Staff will be available to help students get out of cars.

Pick-Up:

We dismiss at 3:30 and 2nd-6th grade students will exit from the gate at the end of the playground. We need parents to stay in the car and as you get closer to the end of the lane, your children will be directed to come to your car. By doing this, we should be able to keep the traffic flowing. Keep in mind dismissal doesn't start until 3:30 for 1st through 6th grade students.

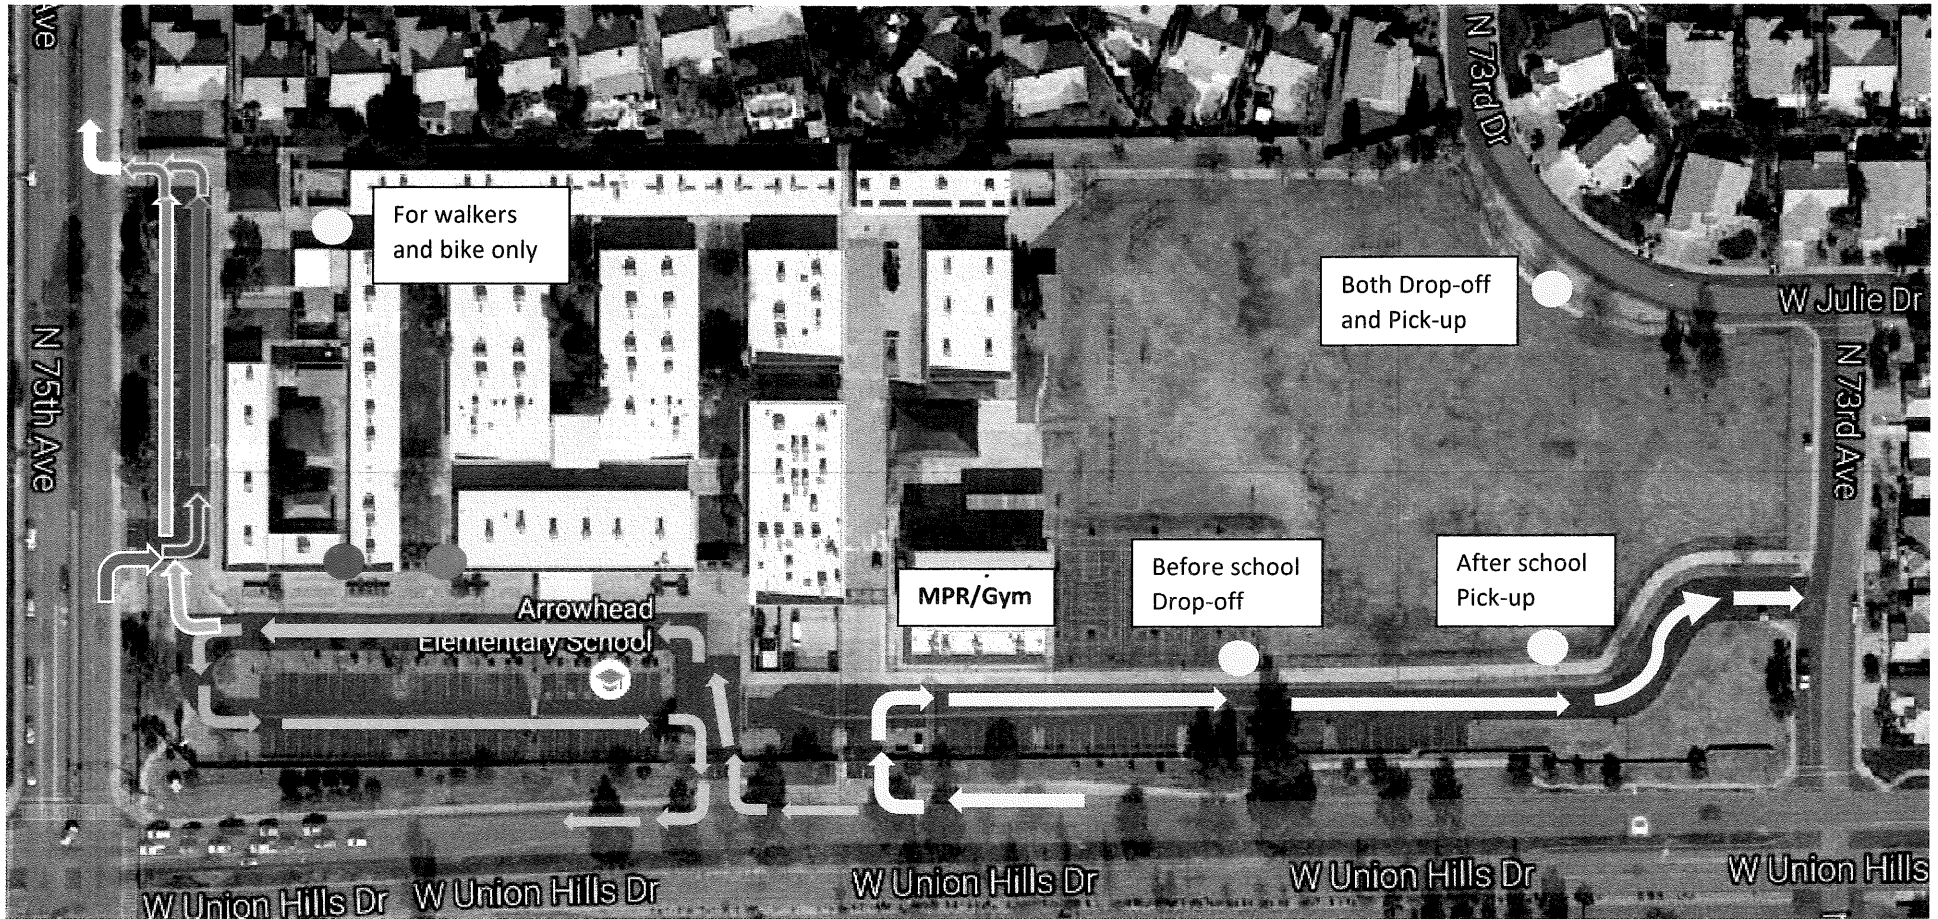

The front parking lot is used for Preschool, Kindergarten & 1st grade pick up only. Kindergarten parents will be given a color and # from the teachers. This will help expedite the pick up process and keep traffic flowing.

Preschool parents should use the left-side curb to park and sign out students. Kindergarten & 1st grade parents should use the right-side curb to pick up students. Do not park along the right-side curb. Staff will be available to help students get into cars.

Siblings of Preschool, Kindergarten, and 1st grade students will be permitted to exit from the front of the school to make pick up locations easy on parents. Keep in mind, Kindergarten starts dismissal at 3:20, but older siblings don't dismiss until 3:30.

Another option for drop off / pick up is the back gate off of 73rd and Julie. Check out the attached map for further clarification.
